## Texas.

tosi, the editor remarks:

"Within a few days we have received intelligence from a respectable source that these troops have approached the Rio Grande, and that it is now currently reported in Mexico that they are to be stationed east of that river. It is said that the Mexican government is determined to take possession of the country west of the Nueces; and when the measure of annexation is consummated, she will appeal to the world and declare that as the territory west of the Nueces is in possession of her troops, the claim of Texas to it is void. Information has lately been received at Corpus Christi, that indicates that Mexico is playing a deep scheme of treachery. We are happy to state here is appointed unto all men once to die," we bow in silent that arrangements have been made to obtain accurate information of the movements of the Mexican forces, and it is believed that our government will be prepared to repel any incursion of Mexican troops into the disputed terri-

EYE-BALSAM. A SPECIFIC FOR CHRONIC, SORE, INFLAM ED AND WEAK EYES. Among the many extraordinary cures effected by this truly wonder I Balsam, we have room only for the following :-Sone Eyes .- "Humanity induces me to make known to the citizens of Cincinnati, who may be afflicted with the above, an astonishing citre effected in three weeks in a case of seven years' standing, by the

use of 'BECKER'S EYE BALSAM.' The case referred to is that of my little boy, who was born with inflamed eye bids. The inflammation continued to increase, resisting all remedies, for the space of seven years. Having heard of the remarkable cures effected by "Becker's Eye Balsam," as a last resort, I made a trial of it, and am happy to certify that it effected a permanent cure in three weeks. D.
